

(c) Remarks

The claims are 13-18. Former claim 3 was allowed. Former claims 6 and 8-12 were allowable if rewritten in independent form. Former claims 1, 5 and 7 were rejected over Ueda '552.

Solely to expedite prosecution and issue, six new independent claims have been presented, claims 13-18. Claim 13 includes the subject matter of former claims 1, 5 and 8 (except for anthracene); claim 14 includes the subject matter of former claims 1, 5 and 9 (except for anthracene); claim 16 includes the subject matter of former claims 3 and 6; claim 17 includes the subject matter of former claims 3, 6 and 10 and claim 18 includes the subject matter of former claims 3, 6 and 12. Accordingly, all the claims contain subject matter deemed allowable.

There being no remaining issues the claims should be allowed and the case passed to issue.
